

STEP ONTO THE COCA-COLA® COMRADES ROUTE
Bonitas Comrades Expo 28-30 May 2015

Coca-Cola® is excited to be a proud supplier of the Comrades Marathon for the second consecutive year!

Just before you step into your running shoes and put your race face on, Coca-Cola® will be seeing you at the Bonitas Comrades Expo.

As part of every runners' race pack, Coca-Cola® has included a **limited edition Coca-Cola® bottle** to mark the **90th anniversary** of the Comrades Marathon.

At the Coca-Cola® stand you can expect to see the iconic race profile and write messages to loved ones and other runners. We would also like to hear from you - share your tips on how to get active in your everyday life! Coca-Cola® will also be giving out spot prizes to expo goers who walk through the unique Coca-Cola® Comrades experience.

We encourage everyone to not only share their Coca-Cola® journey and tips with their friends but also with the rest of the world using **#CokeComrades!**

Along with our products being available at all 46 water points on race day, Coca-Cola® will be hosting a Happiness Zone on route at the Lion Park Bridge – at the bottom of Polly Shortts, off the N3. Coca-Cola® and supporters alike will be there to give you that extra push as you take those last gruelling steps towards the finish line! We look forward to a fun day out with supporters and families - there will be giveaways, music and goodies for the kids.

Coca-Cola® wishes all runners a happy and memorable race at this year's edition of the 90th Comrades Marathon.
